highly coveted - role at the leadership table. But how to get there? In this updated second edition, Trehan has distilled all her experience as a global leader into a series of easily digestible chapters designed to help today's HR professional attain and keep a seat at the corporate decision-making table. Trehan offers specific strategies and frameworks for reframing the HR professional's understanding of their role within the company, including viewing the corporation not from the HR fishbowl, but rather from the vantage point of the CEO's office."--Provided by publisher.
