of talent or practice, it's talent and practice. Instead of nature or nature, it's nature via nurture.

Instead of practice, it's deliberate practice. Instead of the causes of

greatness in general, it's the determinants of greatness

specific to a field. The Complexity

of Greatness brings together a variety of perspectives and the most cutting-edge research on genes, talent, intelligence, expertise, deliberate practice, creativity, prodigies, savants, passion, and persistence. A variety of different domains are
