For those studying at master's level, business degree salary expectations are likely to be higher. According to the latest TopMBA.com Jobs & Salary Trends Report, salaries for MBA graduates average US\$116,300 in the US and Canada. In Western Europe, the average earnings for those with an MBA are a little lower, while the expected salary in the Asia-Pacific region is around US\$85,900.

Why Study Business? | Top Universities

Because international companies rely on the goodwill of the government, international business must take the political structure of the foreign government into consideration. International firms must also consider the degree of political risk in a foreign location; in other words, the likelihood of major governmental changes taking place.
