Starting a Case. If legal papers are not served the right way when a case is started, the Judge may make the party starting the case start all over again. This is called a dismissal without prejudice. There are three ways to deliver legal papers to start a case. Personal delivery. The papers are handed to the defendant or respondent.

The 11 x 17 copy paper case comes with an FSC certification compliance standard. It is 99% jam free, meaning you will spend less time fighting with your copier to get the pages to print and more time working. You can print with confidence knowing that the sheets will not jam in the printer causing you to waste time, ink and paper.
