Elk County, located in the scenic Allegheny Mountains of north-central Pennsylvania, is named and known for the wild, free-roaming elk herd that has become a valuable source of tourism. Sportsmen are attracted to this hunting and fishing paradise, which includes the Allegheny National Forest and the headwaters of the Susquehanna River system. Camping and canoeing entice visitors to the natural beauty of this wilderness setting. Elk County is a world leader in the fields of carbon and powdered metallurgy. A modern paper mill enriches the local economy, and thousands of people each year visit the Chainsaw Carvers Rendezvous, which is part of the Lumber Heritage Region of Pennsylvania. The historic photographs featured in Elk County illustrate the industry, character, and faith of the county's residents from pioneer spirit to present progress through the wealth of its vibrant and enduring communities.

Discusses the elk of North America, including diet, habitat, antlers, rutting, the elk and civilization, conservation efforts, and modern elk management

-- Based on studies done in British Columbia, Canada. -- Covers life cycle, social behavior and habitat.
