Fostering Emotional Intelligence in K-8 Students: Simple ...

We start by reviewing the somewhat nebulous concepts of emotional and social intelligence. This is followed by an examination of the association between well-known parenting styles such as authoritative, authoritarian, permissive, and directive parenting and various indicators of child emotional and social intelligence.

Fostering social and emotional intelligence: What are the ...

Emotional intelligence involves self-awareness, self-management, social awareness, and relationship management. Learning-directed leaders understand the importance of emotional intelligence in self and others. A key element to developing emotional intelligence is motivation to learn. This chapter describes the role of emotions in learning, how to harness the power of emotions to learn more effectively, and how to use emotions to meet new challenges.

Fostering Emotional Intelligence | SpringerLink

Goleman (1995) popularized the construct of emotional intelligence in his book, Emotional Intelligence: Why It Can Matter More Than IQ. The term EQ, or emotional quotient, was coined by Bar-On (1997) to differentiate emotional intelligence from cognitive intelligence, which is measured by intelligence tests.

"Fostering Social-Emotional Learning in the Classroom" by ...

of training emotional intelligence and its outcomes in stress, health and performance of managers. Results showed that training increases emotional intelligence and improves health and well-being. Uluta & Omeroglu (2007) studied the effect of educative programs of emotional intelligence on emotional intelligence of pre-school children.
