It's time to get paid what you're truly worth Although you may not realise it, the knowledge and knowhow you have acquired in your life to date is a truly marketable asset. You've made valuable distinctions because of your passions and have unique empathy and understanding because of your pains. Through this book you will come to understand how other people are ready and willing to pay you money to know what you already know and to do what you can already do. You don't need to be qualified, certified or have letters after your name. Your qualification to do this work is your life experiences, your passion for helping others and your determination to make a difference. Andy Harrington has worked with Richard Branson, Tony Robbins, Robert Kiyosaki, Brian Tracy, Bob Proctor and even Former President of the United States Bill Clinton, and through this book he will show you how to find and shape the message inside of you, and importantly, in such a way that you get paid for sharing your advice. You will also discover how to: Position yourself as an expert so you are seen as an authority. Prepare your advice so it's easy for others to follow. Package your knowledge into programs, workshops, and books. Promote yourself intelligently so you get paid what you are really worth. Perform like a professional with confidence, congruency and charisma. In his debut book Andy shows you how to harness your experiences and turn them into advice for others whilst becoming a person of influence, impact and inspiration. "You have incredible untapped potential - residing within yourself - in your own talents and abilities. This book shows you how to achieve all your goals by focusing on making a difference with what you already have." Brian Tracy, Brian Tracy International

#1 NEW YORK TIMES AND WALL STREET JOURNAL BESTSELLER Pay brand-new employees \$2,000 to quit Make customer service the responsibility of the entire company-not just a department Focus on company culture as the #1 priority Apply research from the science of happiness to running a business Help employees grow-both personally and professionally Seek to change the world Oh, and make money too . . . Sound crazy? It's all standard operating procedure at Zappos, the online retailer that's doing over \$1 billion in gross merchandise sales annually. After debuting as the highest-ranking newcomer in Fortune magazine's annual "Best Companies to Work For" list in 2009, Zappos was acquired by Amazon in a deal valued at over \$1.2 billion on the day of closing. In DELIVERING HAPPINESS, Zappos CEO Tony Hsieh shares the different lessons he has learned in business and life, from starting a worm farm to running a pizza business, through LinkExchange, Zappos, and more. Fast-paced and down-to-earth, DELIVERING HAPPINESS shows how a very different kind of corporate culture is a powerful model for achieving success-and how by concentrating on the happiness of those around you, you can dramatically increase your own.
