In this lesson, we introduce the inclusive definition of the trapezoid and prove properties that come from it. We then introduce parallelograms and prove bas...

Features: of the Cambridge 2 Unit Mathematics Year 11 Enhanced Version contain:

- A large number of fully worked examples demonstrate mathematical processes and encourage independent learning. Exercises are carefully graded to suit the range of students undertaking each mathematics course.
- Online self-marking objective response quizzes provide further opportunities to practice the multiple choice style questions included in HSC Maths exams.

2 Unit / 3 Unit Mathematics:

- Foundation questions consolidate fluency and understanding, development questions encourage students to apply their understanding to a particular context.
- Extension or Challenge questions inspire further thought and development for advanced students.
- The wealth of questions in these three categories enables teachers to make a selection to be attempted by students of differing abilities and provides students with opportunities to practice questions of the standard they will encounter in their HSC exams.

Composite Mathematics is a series of books for Pre Primer to Class 8 which conforms to the latest CBSE curriculum. The main aim of writing this series is to help the children understand difficult mathematical concepts in a simple manner in easy language.

MathsWiz, a series of nine textbooks for KG to Class 8, is a course based on the National Curriculum Framework and the guidelines provided therein. The content is student-centred and activity-based, laying the utmost emphasis on developing problem-solving skills and encouraging the child to think creatively and work independently.

Essentials of geometry -- Reasoning and proof -- Parallel and perpendicular lines -- Congruent triangles -- Relationships within triangles -- Similarity -- Right triangles and trigonometry -- Quadrilaterals -- Properties of transformations -- Properties of circles -- Measuring length and area -- Surface area and volume of solids.
