[ENSEMBLE THEATRE - The Gingerbread Lady](#)

This is the Ensemble's third [go] at [The Gingerbread Lady](#) (1973, 1987, 2012) and whilst this production is lively and the set impressive, the play, as with most of Simon's early work, does not sit well in contemporary times. Certainly, the clever, New York-Jewish-style humour still worked for many in the opening night audience.

[The Gingerbread Lady | Stage Whispers](#)

[The Gingerbread Lady](#) is a play by Neil Simon. It was widely believed to have been written specifically for actress [Maureen Stapleton](#), who won both the Tony Award and Drama Desk Award for her performance. But in a later autobiography, Simon wrote that he'd feared Stapleton might be "hurt" if she assumed the character's flaws and personal damage were a direct dramatization of her life. Simon said that it was director [Mike Nichols](#)' suggestion to cast Stapleton in the role, and that Simon responded,

The Gingerbread Boy Script for Kids-Christmas Play Script ...

"Gingerbread Lady" is a subtle concoction of Chekhov, Arthur Miler, and a dash of Shelagh Delaney. Neil Simon has mastered the delicate balance of wit and great sadness in this perfect cocktail about the things people are willing to sacrifice for those they love. What I would give to play any of these fantastic characters.

The Gingerbread Lady by Neil Simon - Goodreads

Sorry! We don't currently have any monologues from *The Gingerbread Lady*. However, we have dozens of other monologues that you can read. Take a look at our library of free monologues.

"After a short stay in rehab, her best friend age-defying Toby, her daughter Polly, and Jimmy Perry, a gay actor try to help her adjust to sobriety with a jolly birthday party. Enter Lou Tanner, a former lover, who ends up giving her a black eye. The party is a wash out, the "gingerbread lady" falls off the wagon and hits the ropes once again. Later rewritten by Neil Simon as the film *Only When I Laugh* starring Marsha Mason." -- Publisher's description.

"Featuring scenes from the ten best plays"--Jacket.

Gathers highlights from the season's ten best plays and information on plays produced in the United States

(Applause Books). *Curtain Times* is a uniquely comprehensive, uniquely detailed and uniquely contemporaneous history of the New York theater in the seasons from 1964-65 up to 1987. This is a collection of more than two decades of annual critical surveys (originally published in the *Best Plays* series of yearbooks) in a single volume. Each of these surveys is a report and criticism of a whole New York theater season: its hits and misses onstage and off, its esthetic innards. Each is a comprehensive overview which takes in every play, musical, specialty and revival, foreign and domestic, produced on and off Broadway during the theater season. Hardcover.

The entertainment world lost many notable talents in 2018, including movie icon Burt Reynolds, "Queen of Soul" Aretha Franklin, celebrity chef and food critic Anthony Bourdain, bestselling novelist Anita Shreve and influential Chicago blues artist Otis Rush. Obituaries of actors, filmmakers, musicians, producers, dancers, composers, writers, animals and others associated with the performing arts who died in 2018 are included. Date, place and cause of death are provided for each, along with a career recap and a photograph. Filmographies are given for film and television performers. Books in this annual series are available dating to 1994—a subscription is available for future volumes.

New York City's Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway's history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway before 1919.

For a city like no other comes a book like no other. *The New York Chronology* tells the epic story of how a remote trading outpost and fishing village grew into the "world's capital" as we know it today. In tens of thousands of chronological entries, James Trager marches year by year through both the defining and incidental moments in the city's history, from the arrival of Florentine navigator Giovanni da Verrazano in 1524 to the sad closing of Ratner's Delicatessen on the Lower East Side "after 97 years of serving blintzes, kasha, latkes, and matzoh brei." With impeccable scholarship, humor, and an astonishing level of detail, Trager's information-packed entries straddle 32 separate categories that define this great metropolis. Turn to any year and you'll get a vivid sense of what life was like for New Yorkers at that time -- the political and financial developments that shaped their lives; the books, magazines, and newspapers they read; the restaurants, nightclubs, shows, and sporting events that entertained them; the fitful progress of their neighborhoods, schools, hospitals, public works, transportation systems, and so much more. Of course, New Yorkers themselves hold center stage, and *The New York Chronology* is loaded with eye-opening and colorful stories about its famous, infamous, and long-forgotten inhabitants. From society events and publicity stunts to scandals and murders, here are scores of offbeat tidbits that you simply won't find in a more conventional history. Handsomely illustrated with more than 130 photographs and drawings, it is an entertaining and essential book for New York lovers -- a homage as grand as the city itself.

*100 Greatest American Plays* is the 1st book on the 100 greatest American, non-musical plays. Arranged alphabetically, each entry covers each play extensively including the plot, the production history, a summary of the critical reaction, its influence and long-range effects, cast lists of notable stage and film versions, and a playwright biography.
