Misstep by misstep, How Not to Write a Novel shows how you can ensure that your manuscript never rises above the level of unpublishable drivel; that your characters are unpleasant, dimensionless versions of yourself; that your plot is digressive, tedious and unconvincing; and that your style is reliant on mangled clichés and sesquipedalian malapropisms. Alternatively, you can use it to identify the most common mistakes, avoid them and actually write a book that works.

In How Not To Write A Novel, we recommend readers take a look at Fowler's Modern English Usage for a quick lesson in the use of irony, both the term and the device. Realizing now that not everybody has a copy of Fowler close at hand, as a service to our readers we reproduce here the entry on irony from the first edition of H. W. Fowler's entertaining and instructive usage guide.

Write the first draft of your story in as short a time as possible. If you're writing a short story, try to write it in one sitting. If you're writing a novel, try to write it in one season (three months). Don't worry too much about plotting or outlining beforehand. You can do that once you know you have a story to tell in the first place.
