International Marketing Definition. International Marketing is defined as the performance of business activities designed to plan, price, promote, and direct the flow of a company's goods and services to consumers or users in more than one nation for a profit. The only difference between the definitions of domestic marketing and international marketing is that in the latter case, marketing ...

International Business, 13 Global edition

So, as with many other elements of marketing, there is no single definition of international marketing, and there could be some confusion about where international marketing begins and global marketing ends.

What is International Marketing?

International Marketing by Cateora, Gilly, and Graham has been a pioneer in the field of international marketing. The authors continue to set the standard in this edition with new and expanded topics that reflect the swift changes of the competitive global market, as well as increased coverage of technology's impact on the international market arena.
