Islamists such as Sayyid
Qutb argue that since

"Islam appointed"

Muslims "as
representatives of God
and made them

responsible for learning
all the sciences," science
cannot but prosper in a
society of true Islam.

(However, since Muslim
majority countries

Online Library Islamic Science

governments have failed to follow the sharia law in its completeness, true Islam has not prevailed and this explains the failure of science and many other things in the Muslim world, according to Qutb.)
