Propaganda and the Ethics of Persuasion - Randal Marlin ...

Over the last few months, we have been collaborating with the Bullock Texas State History Museum to shine a light on the behavioral ethics concepts, such as moral muteness, moral myopia and ethical fading, which often support the pervasive use of propaganda. Given the bruising election cycle that our country has been going through this year, we also saw an opportunity to explore a problem widely recognized by members of both political parties—national media coverage has become almost issue ...

Propaganda - Ethics & the Media - Ethics Unwrapped

Propaganda and the Ethics of Persuasion – Second Edition. This book develops a sophisticated account of propaganda and its intriguing history. It begins with a brief overview of Western propaganda, including Ancient Greek theories of rhetoric, and traces propaganda’s development through the Christian era, the rise of the nation-state, World War I, Nazism, Communism, and the present day.

Propaganda and the Ethics of Persuasion - Second Edition ...

So, the message of Media Ethics & Propaganda is three-fold. First, propaganda is ubiquitous and dangerous. Second, the media is doing an inadequate job of policing propaganda in modern political campaigns and of informing the electorate regarding substantive policy issues.

Propaganda - Ethics & the Media - Ethics Unwrapped

The journalist in question often faces ethical dilemmas depending on the location and nature of the event as well as the ethnic identity of the victims. As such, mainstream news agencies do not report a catastrophic earthquake and a terrorist attack from the same angle. ... Kony 2012 was the perfect vehicle for this sort of propaganda. The 30 ...

Kony 2012 And The Rise Of Viral Propaganda

Following the end of the First World War, British and Australian atrocity propaganda fell into disrepute. Progressive liberal authors such as British parliamentarian Arthur Ponsonby condemned atrocity propaganda as a series of manipulative lies designed to dupe a naive populace into supporting a morally meaningless war.
