student teachers carry out systematic enquiry into themselves, they understand themselves, their practices and their students.

REFLECTIVE PRACTICES: A MEANS TO TEACHER DEVELOPMENT

It goes far beyond looking at exam grades or points in a spreadsheet: it's a detailed process that truly gets to the heart of your teaching. Reflective teaching can be done in private, but you can also get your colleagues to help. For starters, it can be about understanding what tasks and activities lead to good results. But, when done properly, it can help you to re-assess the beliefs, values and philosophies

Reflective Practices for ESL Teachers - Study.com

Reflective practice is becoming an important feature of ESL/EFL teacher education programs worldwide. One way that may promote reflective practice for English as a foreign language (EFL) teachers is the formation of teacher development groups. This study sought to investigate in what ways regular group discussion promotes reflective thinking.
