I was given a Savage Fox Model B. There is no serial number anywhere, but I do have various barrel markings and markings in the breach area. I would like to find out exactly what I have, most importantly the year. I have figured out that I have full and mod. barrels, the gun must be pre 68' since there is no serial.

All Fox Model B shotguns are side-by-side box locks of a simplified Anson & Deely type with a single underbolt and a Scott spindle top lever to open the action. Coil springs are used throughout and power the hammers and sears. The result is a somewhat bulky but very durable action that seldom needs repair.
