which parallel the experimental process.  
This is the system we will use.

## Journal-Style Scientific Paper - Bates College

The number and the headings of sections  
may vary among journals, but for the most  
part a basic structure is maintained.

# Read Book Scientific Paper Methods

Typically, scientific papers are comprised of the following parts: Title; Abstract; Introduction; Methods; Results; Discussion; Acknowledgments; Literature cited

Sections of a Paper: Structure of a  
Scientific Paper

# Read Book Scientific Paper Methods

Clear scientific writing generally follows a specific format with key sections: an introduction to a particular topic, hypotheses to be tested, a description of methods, key results, and finally, a discussion that ties these results to our broader knowledge of the topic (Day and Gastel 2012). This general format is

# Read Book Scientific Paper Methods

inherent in most scientific writing and facilitates the transfer of information from author to reader if a few guidelines are followed.
