Epstein, a chiropractor for over 20 years who combines traditional chiropractic services with new mind/body principles, here describes how to progress successfully through 12 stages of consciousness. The healing practices he describes include suffering through ascent, concluding with spiritual knowing, and a sense of integration with oneself and the general community.

The 12 Stages of Healing: A Network Approach to Wholeness ...

Dr. Epstein observed that there are 12 states of consciousness from suffering all the way to wholeness. These 12 states are categorized into 3 distinct groups or seasons which, as Dr. Epstein says, “ captures the timing that is essential to true healing. When something is “ in season ” , it is ready, ripe and its ’ time has arrived. ”

Qrorwood: [B182.Ebook] Free PDF The 12 Stages of Healing ...

The 12 Stages of Healing are not the 12 Stages of Curing. What is the difference? With Curing, there is an "IT" to get rid of. There is a war. The war on Cancer, or Crime, or Drugs, or on our own pain. We want to drug the pain, cut out the problem, force a change. Anything to avoid the out of control feeling of the suffering that may be there.

Dr. Cliff Inkles presents the Life Power Wellness Program ...

The stages of wound healing proceed in an organized way and follow four processes: hemostasis, inflammation, proliferation and maturation. Although the stages of wound healing are linear, wounds can progress backward or forward depending on internal and external patient conditions.
