Vajrayogini is a tantric goddess from the highest class of Buddhist tantras who manifests the ultimate development of wisdom and compassion. Her practice is prevalent today among practitioners of Tibetan Buddhism. This ground-breaking book delves into the origins of Vajrayogini,

charting her evolution in India and examining her roots in the Cakrasamvara tantra and in Indian tradition relating to siva. The focus of this work is the Guhyasamayasadhanamala, a collection of forty-six sadhanas, or practice texts. Written on palm leaves

For their system of divination, the authors drew upon extensive study of the 64 Dakinis of the Ranipur Jharial Temple in Orisa, India, which honor intuitive wisdom.

A fresh interpretation of the dakini—a Tibetan Buddhist symbol of the feminine—that will appeal to practitioners interested in goddess worship, female spirituality, and Tantric Buddhism The primary emblem of the feminine in Tibetan Buddhism is the dakini, or “sky-dancer,” a semi-

wrathful spirit-woman who manifests in visions, dreams, and meditation experiences. Western scholars and interpreters of the dakini, influenced by Jungian psychology and feminist goddess theology, have shaped a contemporary critique of Tibetan Buddhism in which the dakini is seen

as a psychological "shadow," a feminine savior, or an objectified product of patriarchal fantasy.

According to Judith Simmer-Brown—who writes from the point of view of an experienced practitioner of Tibetan Buddhism—such interpretations are inadequate. In the spiritual journey

of the meditator, Simmer-Brown demonstrates, the dakini symbolizes levels of personal realization: the sacredness of the body, both female and male; the profound meeting point of body and mind in meditation; the visionary realm of ritual practice; and the empty, spacious qualities of mind

itself. When the meditator encounters the dakini, living spiritual experience is activated in a nonconceptual manner by her direct gaze, her radiant body, and her compassionate revelation of reality. Grounded in the author's personal encounter with the dakini, this unique study will appeal to both
