Sean’s workshop on ‘The Truth About Employee Engagement’ deals with making sure that your employees become more engaged with the work they do. Studies in the U.S. show that increasing employee engagement even in the slightest way can result in: * 37% lower absenteeism * 25% lower turnover (in high-turnover organizations)

The Truth About Employee Engagement Workshop

The second inconvenient truth is, a survey is not an employee engagement solution. It is a vehicle by which you can more precisely focus on engagement and you must be committed to act in earnest. Conducting a survey without being fully prepared to accept the results and take meaningful actions will actually do more damage than good.
