I have taken Trailer Life for about 20 years and since buying a motorhome (class C) started taking Motorhome also. Trailer Life used to be a go to, when we brought our first used RV. Motorhome started out good and both have now become very thin and doesn't take very long to leaf though. The Highways magazine is a joke, compared to what it is now.

One thing that defines the life of travel trailer is the roof, even a good trailer may have leakage within like 10 year or earlier. And thus replacing, repairing roof is needed. With years passing, mostly the roof starts to leak and eventually you may have to replace the roof itself. Even with great care the roof may not last beyond 15 years.
