Learn about the exotic and mysterious family of orchids. Orchid Care: For the Beginner covers basic orchid care, including watering, nutrient requirements, light levels, and repotting. It contains a troubleshooting guide for common orchid genus. With over 30 color photos, Orchid Care: For the Beginner is perfect for orchid enthusiasts everywhere.

An authoritative and detailed guide to caring for orchids in the home - the result of experience, continuous experimentation and extensive research by expert authors. All common types of orchids are covered. This book communicates all the necessary information in a way which is easy to understand, with over 100 unique, purpose-taken pictures. It includes a section with answers to the most common questions, and a photographic guide to signs, diagnosis and treatment for bringing ailing orchids back to health. The only book you need when growing orchids at home.

Describes orchid structure, provides advice on choosing, tending, and breeding orchids, and recommends varieties for beginning and experienced growers and plants to grow with orchids.

Orchids can bloom year after year. In this essential guide, Bruce Rogers, "The Orchid Whisperer", shares his expert tips from more than three decades of breeding and growing orchids. The book demystifies the growing process and features more than 100 lush color photographs of breathtaking plants. Best of all, it reveals professional secrets not found anywhere else for blooming, repotting, spotting hazards and pests, grooming, decorating, and much more. Perfect for beginners as well as orchid experts looking for new tricks, The Orchid Whisperer provides everything readers need to know to keep healthy orchids that will flower again and again!

A practical handbook for novice and experienced horticulturalists alike provides everything a gardener needs to know about these popular and exotic plants, offering more than two hundred full-color photographs, detailed descriptions, and easy-to-follow care and cultivation instructions for dozens of orchid species.

From selecting the right plant to providing proper growing conditions, Orchids for Every Home is your complete handbook to keeping your orchids healthy and blooming. Starting with the most popular orchids that require the least care and progressing to more high-maintenance flowers, this practical guide is organized to help you find the orchid that is just right for you and the conditions in your home. You'll learn about 104 different orchids, including Phalaenopsis, Miltoniopsis, Aygopetalum, Brassia, Dendrobium, and many more. All plant profiles include: A description of the plant and its flowers When and how often it blooms Where to site it Watering and other care instructions In addition, a troubleshooting section helps you identify problems--such as sunburn, viruses, mealybugs, and red spider mites--and shows you how to quickly and efficiently deal with them. Both beautiful and practical, Orchids for Every Home shows you just how easy it is to grow these exquisite flowers.

Add a dazzling touch of the exotic to your life from neon bright Dendrobium nobiles to arching sprays of Phalaenopsis. Enjoy the perfumed fragrance of the sturdy Lady of the Night. Try harvesting your own vanilla. This engaging volume provides all the inspiration you need to transform a windowsill, patio, glassed-in porch, or small garden plot into orchid territory. Grow Lady's Slipper orchids and Jewel orchids as low-light house plants, cover a bright windowsill with Laeliocattleyas, or fill up your back terrace with cymbidiums. Regardless of where you live you can grow orchids, easily, inside or out. Complete with concise, easy-to-follow instructions, and beautifully illustrated with full-color photographs, Easy Orchids makes growing these prima donnas of the planet world rewarding and enjoyable for beginner and expert gardeners alike. -- back cover.

Orchids have a reputation as the divas of the plant world: fussy, difficult-to-grow plants that—on top of all that—are prohibitively expensive. But there are plenty of orchids that anyone can grow. Orchids are no more difficult than familiar houseplants such as the African violet, and can be made to thrive and bloom in average indoor conditions. You just need to know what makes them happy. Bloom-Again Orchids highlights the easiest, most fuss free varieties and includes invaluable tips on where to buy orchids and how to keep them in bloom. Each of the fifty profiles focuses on a commonly available
